VISION

To coordinate Multidimensional Development through Multimodal Initiatives by planning ecosystem with existing & upcoming system & setups. Execution by Visionaries & Corporate Houses hailing from Bihar & willing to support the initiative.

MISSION

To develop Bihar with help of Bihari's and their well-wisher across the world so that every Bihari can gracefully stay in Bihar.

WHAT WE DO

IEA Bihar is dedicated to the development of Bihar, bringing together visionaries, corporate leaders, and individuals committed to the state's growth

WHAT YOU CAN DO

Join us in making a meaningful impact by contributing your time, financial support, knowledge, and experience – together, we can create positive change and build a better future.
